Hi Alex,

Sorry unfortunately I don't have much knowledge on that. In our office, some combination of ERG and Andrew Schulman (Schulman.Andrew@epa.gov) set that up, so you could try reaching out to him for advice. Good luck!

Subject: JIRA for the National PFAS Data Explorer (NPDE)

Hi Jesse,

I wondered if you could point me in the right direction. I'm trying to standup a JIRA instance for ORD and ERG to use to support the NDPE work. I reached out to OMS but I haven't gotten anything back from them. Do you know who I need to talk to create a JIRA instance for the NDPE project? Thanks in advance for your help.

Respectfully,

Alex
